Dallas, TX (929)270-5358 houston.mubo@gmail.com

Portfolio: https://hidden-waters-51372.herokuapp.com

LinkedIn: www.linkedin.com/in/mubohouston | GitHub: http://github.com/MuboHouston

OBJECTIVE

Full stack web developer passionate about web accessibility, performance, and usability. Background in case management with shown abilities to understand clients' needs and find solutions to their challenges. Recognized as detail oriented, analytical, collaborative, and empathetic. Driven to make content that has a positive impact on the world. Graduate of Full Stack Web Development at Columbia University.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, jQuery, React, Bootstrap, Materialize, Responsive Design
Backend: Node, Express, AWS s3, MySQL/Sequelize, MongoDB/Mongoose, APIs, REST, GraphQL
Other: Test-Driven Development (TDD), Progressive Web App (PWA), Object-Oriented Programing (OOP)

PROJECTS

Dinnection
Deployed: https://nameless-harbor-84311.herokuapp.com
Repo: https://github.com/Sensus0/dinnection
Collaborated with a group of three to build a full-stack social media web app for artists to connect, view, and promote contemporary art. Built the backend, which included constructing database models and setting up server routes, including routes to and from Amazon S3 buckets.

Travelers
Deployed: https://hannahhan153.github.io/Travelers/
Repo: https://github.com/hannahhan153/Travelers
Collaborated with a group of four to build a full-stack web app for users planning travel within the United States during the COVID-19 pandemic. Used Fetch API to obtain current and historical weather and COVID-19 data.

Budget Tracker
Deployed: https://boiling-inlet-27031.herokuapp.com/
Repo: https://github.com/MuboHouston/budget-tracker
Built a Progress Web Application that allows users to keep track of their finances. Users are able to add expenses and deposits to their budget with or without a connection. If a user enters transactions offline, the total is updated when they return online.

EDUCATION

Full Stack Web Development Certificate Columbia University	December 2021- May 2022
Bachelor of Business Administration Brooklyn College, CUNY	Graduated May 2015

EXPERIENCE

Friendship Place – Washington, DC (Remote)	**March 2022- Present**
Web Developer Intern	

- Design the frontend of Friendship Walk 2023 web application using HTML5, CSS3, JavaScript, JQuery, Bootstrap, Materialize, and Git.
- Collaborate with the marketing team to develop the framework for the future Friendship Walk website.

Texas Child Protective Services – Dallas, TX   **August 2015 to March 2022**
Family Based Specialist III

- Worked with a group of five employees to create new policies for children without homes.
- Managed caseloads of 20-25 families, including cases involving child abuse and neglect litigations, while staying ahead of deadlines.
- Mentored 10 new employees in 2021 and 2022, of which all graduated from the training program and became case managers for the agency.

Bank of America – Brooklyn, NY   **August 2011 to August 2015**
Business Teller

- Leveraged organizational and prioritization skills to efficiently process 70+ business transactions daily, handling over $250K per day.
- Migrated over 10+ customers per week to online banking, resulting in customers meeting their financial needs conveniently from their mobile devices.
